CELEBRATING 40 YEARS OF TRUST, FRIENDSHIP & TRANSFORMING INDIAN TRAVEL

Abbas Moiz President

Dear Members,

Greetings

As we prepare to celebrate 40 remarkable years of TAFI's existence, we look forward to commemorating this significant milestone at our upcoming convention in Rhodes, Greece.

It is my privilege to extend my heartfelt thanks to each of you for showing your appreciation and support by registering as a delegate for our convention. Your enthusiastic participation is a true reflection of the strength, unity, and spirit of our association.

I would also like to sincerely acknowledge and thank all the members who are dedicating their valuable time, energy, and effort to ensure that every arrangement is in place for your arrival in Greece. Your commitment and contribution are what make an event of this magnitude possible.

The theme of this convention aptly encapsulates TAFI's journey from 1986 to the present — connecting our legacies, while laying the foundation to craft the future. It is a celebration of where we have come from, an opportunity to reflect on what we have achieved together, and, most importantly, a platform to envision the road ahead.

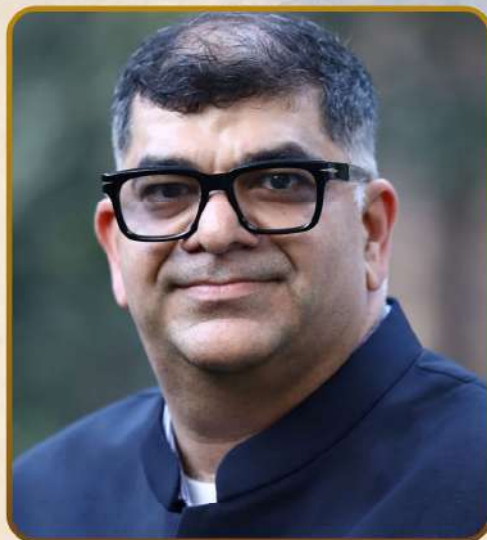

This convention will once again bring together the camaraderie and collective spirit of TAFI members from across India. It will provide us with an opportunity to deliberate on important industry issues, exchange ideas and perspectives, strengthen our professional relationships, and, of course, experience and enjoy the unique charm of a new destination together.

As we gather in Rhodes to celebrate 40 years of TAFI, let us cherish our legacy, strengthen our bonds, and look ahead with renewed purpose and optimism towards shaping the future of our industry.

I look forward to welcoming each one of you in Rhodes and to celebrating this memorable milestone together.

Sd.

Abbas Moiz
President

Jay Kantawala Chairman Convention

Dear Members,

Welcome to Rhodes — an island where history, myth, and beauty converge, and where TAFI now writes another unforgettable chapter of its own story.

This year holds special significance for all of us, as we come together to celebrate 40 remarkable years of TAFI. Four decades of growth, collaboration, and shared purpose have shaped our association into what it is today, and it felt only fitting to mark this historic milestone against the backdrop of an equally timeless destination. Rhodes, with its ancient citadels, sun-drenched shores, and centuries of stories etched into its stones, offers the perfect setting to reflect on our journey while looking ahead with renewed energy.

As Convention Chairman, it is my privilege and pleasure to extend a warm welcome to each of our esteemed guests, distinguished speakers, delegates, and their spouses joining us in Rhodes. Your presence here is a testament to what makes TAFI truly special. The overwhelming enthusiasm in registrations for this convention has been heartening — it speaks volumes about the strength of our community, the unity that binds us, and the unwavering spirit of our association.

The theme of this year's convention, "Connecting Legacies, Crafting Futures," captures the very essence of this milestone moment. It is a tribute to our roots — to the founders and pioneers who laid the foundation of TAFI — and, at the same time, a celebration of the path we continue to carve for the generations to come. It is a reminder that our legacy is not something we simply inherit, but something we actively build upon, together.

Fittingly, this theme resonates deeply with TAFI's own guiding philosophy — "Way Forward." It is a phrase that has always defined our association's outlook: forward-thinking, resilient, and united in purpose. In Rhodes, as we gather to honor our past and envision our future, this spirit will guide every conversation, every connection, and every idea born over the next few days.

I look forward to celebrating this landmark occasion with each one of you, amid the warmth of Greek hospitality and the company of the TAFI family. Here's to 40 glorious years — and to the many more that lie ahead.

Anil Kalsi
Vice President

Dear TAFI Members,

It is my great pleasure to welcome you to the TAFI Annual Convention 2026, in the enchanting island of Rhodes, Greece. As TAFI Celebrates its 40th Anniversary, bringing the TAFI Convention to Europe is a landmark decision for TAFI.

TAFI Conventions have always been unique, bringing TAFI'ites together from across India in a fascinating destination. TAFI has been setting standards in value, information sharing and knowledge upgrades for its members. The destination experience for the delegates is real time and results in enhanced marketing of the host Country .

The travel landscape is changing at an unprecedented pace. Technology, artificial intelligence, evolving traveller expectations, digital transformation and new models of doing business are reshaping our profession. These changes present challenges, but they also bring extraordinary opportunities. The travel agent of tomorrow will need to be more than a facilitator of bookings. We will be curators of experiences, trusted advisors, problem-solvers, destination experts and relationship builders. And while technology will continue to transform the way we work, the human connection will remain at the heart of travel.

Our industry succeeds when we work together—with airlines, hotels, cruise lines, tour operators, technology companies, tourism boards and all our valued partners. Strong relationships and mutual understanding will be critical as we navigate the next chapter of travel.

I hope that during these four days, we will not only gain new professional insights but also create new friendships, Strengthen existing relationships and take home memories that will last a lifetime.

Let us connect our legacies. Let us craft our future. And let us continue to make travel the bridge that connects people, cultures and the world. I look forward to welcoming you all to Rhodes for an inspiring, productive and memorable TAFI Annual Convention 2026.

Hitank Shah National General Secretary

Dear Members and Esteemed Delegates,

It gives me immense pleasure to invite you all to our upcoming National Convention, to be held in the breathtaking and historic island of **Rhodes, Greece**, from **October 04 to October 07, 2026**.

This convention comes at a pivotal moment for our association. As we gather overlooking the Aegean Sea, a crossroads of history, culture, and ideas, we have a unique opportunity to reflect on our collective journey, evaluate our progress, and map out a strategic vision for the future. Over these three days, we will engage in crucial deliberations, share best practices, and collaborate on a roadmap to address the challenges and seize the opportunities that lie ahead. Rhodes, with its rich legacy of resilience and convergence, serves as the perfect backdrop for our discussions. Beyond the formal sessions, plenary sessions, and workshops, this convention will provide an invaluable forum for networking, strengthening our professional bonds, and fostering camaraderie among members representing diverse regions.

I encourage each of you to bring your unique insights, energy, and commitment to the table. Your active participation is what drives our success and shapes our collective destiny. Let us meet in Rhodes to inspire, innovate, and integrate our efforts toward a stronger, more vibrant future. I look forward to welcoming you personally to Rhodes, Greece.

Amol Kataria Convention Co-Chairman

Dear TAFI Family,

It gives me immense pleasure to welcome you to the TAFI Convention 2027, taking place in the magnificent island of Rhodes, Greece, from 4th to 7th October 2027.

There are destinations that we visit, and then there are destinations that leave a lasting impression. Rhodes is certainly the latter. With its turquoise waters, sun-kissed shores, ancient heritage and timeless Mediterranean charm, it offers the perfect setting for our TAFI family to come together.

But this convention is about more than a beautiful destination.

It is about going beyond the ordinary.

Beyond the meetings and presentations, we will create opportunities to exchange ideas, discover new possibilities, strengthen business relationships and celebrate the spirit of collaboration that makes our fraternity so special.

Beyond the palm trees, we will discover the stories, culture, people and experiences that make Rhodes truly unforgettable.

A TAFI Convention has always been a celebration of our profession and our fraternity. It brings together travel professionals from across the country, creating a unique platform where friendships are strengthened, partnerships are formed and the future of our industry is discussed and shaped.

As the Convention Co-Chairman, it is both an honour and a privilege to be part of this journey. Our endeavour is to create an experience that stays with every delegate long after they return home—not merely as a convention they attended, but as a journey they experienced, relationships they built and memories they created. So, come with your ideas. Come with your enthusiasm. Come ready to connect, discover and celebrate.

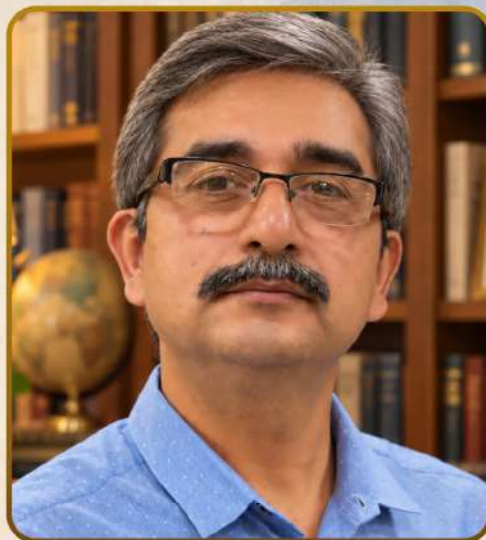

Come to Rhodes.

Go beyond the ordinary.

Go beyond the expectations.

And discover what awaits us together.

I look forward to welcoming the entire TAFI family to Greece.

Rai Achal Krishna Treasurer

Dear TAFI Members,

The forthcoming TAFI Convention in Greece represents much more than a gathering of travel professionals. It is an important step towards developing a lasting tourism partnership between India and Greece—one that encourages Indian travellers to discover Greece, particularly Rhodes and the wider Aegean region, while also inspiring more Greek travellers to experience India.

Greece offers Indian visitors a compelling combination of history, culture, natural beauty, beaches, cuisine and warm hospitality. Rhodes and the islands of the Aegean provide opportunities for leisure holidays, family travel, honeymoons, luxury experiences, special-interest tours, destination weddings and MICE movements. At the same time, India offers Greek travellers an extraordinary diversity of heritage, spirituality, wildlife, wellness, cuisine, festivals and landscapes.

The Convention will bring Indian travel professionals into direct contact with Greek tourism authorities, hotels, destination-management companies, airlines and other stakeholders. It will enable our members to understand the destination firsthand, develop new itineraries and confidently introduce Greece's lesser-explored regions to the Indian market.

Equally important is the opportunity to build tourism in both directions. Through greater cooperation between the travel industries of India and Greece, we can encourage Greek visitors to explore the many experiences India offers and help create suitable programs that reflect their interests and expectations.

The proposed Memorandums of Understanding with the Greek governmental and regional authorities will be an important part of this vision. These MOUs should provide a framework for sustained cooperation beyond the Convention, covering tourism promotion, knowledge-sharing, B2B engagement, familiarisation visits, joint marketing initiatives, cultural exchanges and efforts towards improved connectivity.

A Convention may initiate a relationship, but its true value lies in what follows. Our objective is to create an enduring bridge between the tourism industries of India and Greece—one that generates new products, stronger partnerships and measurable visitor growth in both directions.

If the Convention leads to more Indians discovering Rhodes, the Aegean islands and other regions of Greece, while also encouraging more Greek travellers to experience India, it will have created a meaningful and lasting legacy.

Nikolaos Kavalieros WOTF Group

BUILDING BRIDGES BETWEEN INDIA AND GREECE

Dear Friends,

It is a great pleasure and a deeply meaningful moment for me to welcome the TAFI family to Rhodes and to Greece. For many years, my professional journey has been closely connected with India and its travel community. Through WOTF Group, I have had the privilege of building relationships with travel professionals across India - relationships based not simply on business, but on trust, friendship and a shared passion for creating exceptional travel experiences. I have always believed that the relationship between India and Greece has enormous potential. Greece offers Indian travelers something truly distinctive: thousands of years of history, extraordinary islands, culture, gastronomy, natural beauty and, above all, genuine hospitality. At the same time, India represents one of the world's most dynamic and exciting travel markets.

Rhodes embodies much of what makes Greece special. It is an island where civilizations have met for centuries - a place where history, culture and Mediterranean life come together. I believe it provides a wonderful setting for TAFI's 40th anniversary and for conversations about the future of travel.

For WOTF Group, our commitment is clear: to continue strengthening the bridge between the Indian travel industry, Greece and Europe. We want to create opportunities, develop new destinations and products, and give our travel partners the knowledge, support and confidence they need to grow their business in Europe. But beyond business, tourism is ultimately about people. It creates friendships between countries, brings cultures closer together and allows us to understand one another in ways that few other industries can.

As we celebrate 40 years of TAFI, I hope Rhodes becomes another important chapter in the long relationship between India and Greece - and the beginning of many new journeys, partnerships and friendships.

To my friends and colleagues from India:

Welcome to Greece. Welcome to Rhodes.

May you arrive as our guests and leave as our ambassadors and friends

DELPHI

The Oracle of
the Ancient World

RHODES OLD TOWN

A Journey Through
Medieval Greece

ATHENS – The Birthplace of Western Civilisation

Acropolis & Parthenon – The iconic symbol of Athens and one of the world's greatest monuments of Classical Greece. Built in the 5th century BC, the Acropolis represents the extraordinary achievements of ancient Greek architecture, art and civilisation.

Plaka & Monastiraki – Charming historic neighbourhoods filled with narrow lanes, traditional shops, cafés and lively Greek atmosphere.

DELPHI – The Oracle of the Ancient World

Delphi was regarded by the ancient Greeks as the **centre of the world**. Sacred to Apollo and famous for the Oracle of Delphi, its ancient ruins are dramatically set against the slopes of Mount Parnassus, offering both history and spectacular mountain views.

ARACHOVA – A Picturesque Mountain Village

Arachova is a beautiful traditional mountain village near Delphi, known for its stone-built houses, picturesque lanes, local handicrafts and Greek mountain cuisine. It is an ideal stop to experience the traditional side of Greece.

RHODES OLD TOWN – A Journey Through Medieval Greece

Rhodes Old Town, a UNESCO World Heritage Site, is one of Europe's best-preserved medieval towns. Walk through its cobbled lanes, imposing stone walls and historic streets, particularly the famous **Street of the Knights**, where the island's medieval heritage comes alive.

RHODES – Mediterranean Island Charm

Beyond its history, Rhodes offers beautiful beaches, **blue Mediterranean waters** and a **relaxed island atmosphere**. Its unique combination of ancient heritage, medieval architecture and seaside beauty makes it one of Greece's most appealing destinations.

RODOS PALACE – Your Home in Rhodes

Located close to the Mediterranean coast, Rodos Palace offers a resort-style setting with gardens, pools and extensive conference facilities—an ideal base for the TAFI Convention and leisure time in Rhodes.

THANK YOU & WELCOME TO RHODES ISLAND, GREECE
